

## DECLARATION OF ACCESSION TO THE COURSES

I - ..... -  
(put your name and PESEL)

would like to register for the following courses (select one or more):

- „Selected advanced topics in machine learning”
- „Introduction to modern cryptography”
- „Mathematical modeling of nonlinear biosystems”
- „Advanced statistical methods”
- „Advanced data analysis software development with R”
- „Mining massive datasets”
- „Java for science”

Aware of the responsibility for making a false statement, certify that:

I have been informed that the project "Information technology: an interdisciplinary research and application" is co-financed by the European Union under the European Social Fund.

I also agree to participate in a survey on the needs of the Project.
